Light For Life[®] Symposium Special Sponsor Opportunities

Welcome to the Light for Life[®]: Healthcare Environments: Lighting & Controls, a **special two day virtual symposium** focused on the impact of lighting and light fixture selection for comfort, safety, productivity and function in healthcare environments. This symposium will be of extra interest to architects, interior designers, lighting designers, AI/FGI, engineers and health system buyers.

Presentations curated to include:

- New Lighting Guidance
- Controls for Healthcare
- Color and Material Perception
- Types of Facilities & Trends
- Light and Vision
- Lighting Hospital and Healthcare Facilities

Includes partners: FGI, ASHE, NEMA, IALD, ASHRAE, NALMCO, NEMRA

Live registrants will receive copies of RP-28 and RP-29. They will also receive complimentary access to the online recording, available approximately two weeks following the live event.

Attendees will receive 10 IES continuing education credits (CEUs) for parts I & II, together with a certificate of completion.
