Light For Life® Symposium Sponsor Opportunities

Welcome to the Light for Life®: Outdoor Spaces, a four (4) hour virtual symposium focused on lighting design for pedestrian-oriented spaces, where people maneuver, shop, socialize, and rest during the darkness of nighttime hours.

Presentations curated to cover:

- Elements of design that impact mood, identity, and visual comfort
- Lighting zones, controls, and color considerations
- Environmental issues important to flora and fauna
- New illuminance recommendations for outdoor spaces

Live registrants will receive a code for 25% off the purchase price of Lighting Design for Outdoor Pedestrian Applications (BSR/IES RP-43) upon publication. They will also receive complimentary access to the elearning archive, available approximately 2 weeks following the live event. Attendees will receive 4 IES continuing education credits (CEUs).
